ONLINE COURSE

Lifting accessories inspection

Below the hook: webbing slings, roundslings, wire rope and chain slings, shackles, tirfor and lifting bags

- ✓ 100% online, at your own pace
- ✓ Start immediately after purchase
- ✓ approx. 3 hours of study
- ✓ Certificate at ≥ 70%

Who is it for?

Staff who inspect lifting accessories, such as maintenance departments, rental companies, construction and industry, and self-employed inspectors.

What will you learn?

- Machinery Directive/Regulation, Dutch law and the written designation
- Webbing slings and roundslings: colour code, working load and rejection criteria
- Wire rope slings and chain slings to EN 13414 and EN 818
- Assessing hooks, shackles, lashing straps, tirfors and lifting bags
- Recording with inspection lists, and the inspection frequency
